### PLATINUM AND GOLD PRELICENSING PACKAGES

Platinum and Gold Packages are geared to motivated, self-directed learners.

#### Platinum Package

- State License Exam Manual
- Drill & Practice CD-ROM
- Audio Review

#### Gold Package

- State License Exam Manual
- Drill & Practice CD-ROM

#### Correspondence Set

Platinum and Gold Packages with Correspondence Exams are offered for states that allow candidates to complete the prelicense education requirement via correspondence study.

## 40% Discount on Insurance CE Self-Study Materials

In addition to satisfying state-mandated Continuing Education requirements, you need highly specialized knowledge to boost your sales and productivity. Kaplan Financial Education's extensive selection of Insurance CE courses feature:

- Basic, intermediate, and advanced materials for every level of experience, ranging from new employee to veteran agent to corporate staff
- Easy-to-understand content including case studies, real-life applications, and learning reinforcement tools
- Flexible delivery methods, including classes, online courses, and textbooks
- Grading and Certification service available for state CE credit

## 15% Discount on Insurance Prelicensing Classes

Learners who prefer an environment with teacher and peer interaction can choose from Live classes in most major metro centers around the country. These classes, offered by Kaplan Financial Education and Kaplan Professional Schools utilize dynamic instructors and exam-focused materials to prepare you to pass your state examination. Virtual classes are also available for some states. Whether you are interested in Live or Virtual classes, our experienced instructors deliver top-quality training with question-based sessions to help ensure exam readiness.

## 40% Discount on Securities Licensing Study Materials and 15% Discount on Classes

If you are interested in pursuing Securities Licensing, you've come to the right place! We offer discounts on comprehensive study materials such as textbooks, drill & practice software, audio review, and practice exams. In addition, we offer top-quality instruction, available in a live, in-class format in select cities, or as convenient Virtual classes delivered online.
